

Serenity 1

Welcome to our informational seminar about some very exciting new programs we have to offer. We are very **pleased** to let you know that over the past several years, we have been able to successfully help clients obtain refunds related to their timeshare ownership. Once the attached NDA has been signed, we will **begin** and provide you with all of the information you **came** today to hear.

Before we **begin**, there are a few things to cover to ensure we are being respectful of your time.

1st. It is okay to be skeptical; you don't have any information yet.

2nd. You are not required to exit your timeshare to receive any refunds, credits, or compensation you may be entitled to. If you enjoy your ownership, that is perfectly fine. If you qualify, this will not negatively impact your ownership.

3rd. Not everyone will qualify. We can only present what we know at this stage, and we will need additional information to determine what, if anything, you may qualify for. We reached out to you because we believe you *may* qualify; however, this is not a guarantee.

4th. You do not have to currently own your timeshare to receive credits or refunds, if you qualify.

5th. If you exited your timeshare more than five years ago, you will not qualify, and there is no reason for you to be here today.

6th. If you would like to end your ownership or explore other travel options, please let us know and we can discuss those options with you at another time; however, that is not the purpose of today's presentation.

Please complete the attached form and sign the NDA so we can share this exciting information with you.
